Carl:

From the report I recieved from you today this was a segment of my show. The funny part of this whole buisness is, in the past few months this station has recieved two letters of this sort and both letters have described part of my program. I hope this is what you needed and if any time I can be of any help to you fell free to write.

A handwritten signature in blue ink, appearing to read "Alan B. Cheek".

Alan B. Cheek
