Carl Dabelstein,  
12524 C Street  
Omaha, Nebr.

Dear radio listener:

This will verify your reception of KOKA, 4:05 AM CST,  
October 29, 1962. KOKA operates 10,000 watts daytime,  
500 watts nighttime directional. At that time KOKA  
was using 500 watts.

Sincerely

J. E. Wharton, Chief Engineer.
