Dear Carl:

This is to verify that the items and announcements heard on the broadcasts from our station April 8, 1971 at 12:17 A.M. was true.

Our Engineer was working on the equipment that night and was testing.

I don't recall getting a letter from you before, but if we did and did not answer, I wish to apologize.

Most happy to hear from you.

Sincerely,

*Edith Clipper*
