This is a follow-up report to your station. My original report was never answered. Possibly it was lost in the mails. If you find this report correct and to your satisfaction, I would appreciate receiving a brief letter or card stating that my report is correct. I have 866 verifications, including 17 from Louisiana. Yours would be a most welcome addition. I obtained your name from Walt Breville of St. Louis, Missouri who received a verification from you last year. Thank you very much for your time and interest.
