Dear Sir:

We are pleased to provide this confirmation of your reception of our signal from 1:09 a.m. to 1:12 a.m. C.S.T., February 23rd, 1963, and regret the delay in replying to your letter which arrived during my absence from Flin Flon.

Your log of listening is accurate except for one small point, in which you note CFAR's power as 500 watts, instead of 1,000 watts, however this is a small error when compared with the details otherwise provided.

Thank you for tuning us in, and we wish you much success in your fascinating hobby of DXing.

Yours truly,

J. Everett Smallwood,  
Manager, CFAR.
