Dear Carl:

Thank you for your reception report of station CHSM at 0643 - 0651 CST on November 9, 1989.

CHSM broadcasts on 1250 kHz at 10 kwatts 24 hours a day. The transmitter is a Continental Electronics 316F and is located near St. Pierre, Manitoba (35 kms SSE of Winnipeg). It operates into a four tower array with the same coverage pattern and power both day and night. CHSM is one of four stations that make up Radio Southern Manitoba. The other three stations are: CFAM, 950 kHz ; CKMW, 1570 kHz and CJRB, 1220 kHz.

Radio Southern Manitoba is owned and operated by Golden West Broadcasting Ltd who have their head offices in Altona, MB.

Thank you again for your letter and we wish you continued success in listening to distant stations. Perhaps you will have opportunity to listen to some of our other stations.

I have included a copy of our program guide for your collection.

Sincerely,

Laverne Siemens
Chief Engineer

GOLDEN WEST BROADCASTING LTD.
