THE TRI-STATE AREA'S BIGGEST COVERAGE STATION

February 5, 1964

Dear National Radio Club Member:

This is a letter to verify your reception of our station between 4 and 5 a.m. on January 27, 1964. This is to advise you that your reception report was essentially correct and you may consider this letter as your verification.

Please excuse this form letter, but with the many reception reports received we could not possibly devote the time in answering each personally.

We thought you might be interested in the states from which letters have been received.

Illinois	Nebraska	South Carolina
Indiana	New Hampshire	Tennessee
Iowa	New Jersey	Virginia
Maryland	New York	Quebec, Canada
Michigan	Ohio	Toronto, Ontario, Canada
Minnesota	Pennsylvania	

Many of these states provided more than one letter.

Thanking you for taking the time to listen and to write, I am

Sincerely,

D. C. Loughry
