Dear Carl,

Sorry we are delinquent with our acknowledgement to your reception report of Saturday, July 7th. Our tardiness is probably due to an oversight but we'll not go to the effort of making amends.

WKPR is owned and operated by the Kalamazoo Broadcasting Company and is 1-Kw, directional, daytime. We employ a Collins transmitter, model 20V-2. Our directional signal is rectangular in pattern and is northwest, southeast in direction.

Once again I say "we're sorry" and thank you for your patience, interest and report.

Sincerely for WKPR,

Richard P. Stubb
