Dear Carl:

Thanks for the signal report....yours was the second report that we got for that nite...the other was from Chicago.

That was KDLM that you picked up from 12:06 to 12:12 Am on the morning of April 1, 1972. We were running our monthly frequency check

I note that you are a ham operator also. That is something I've always been interested in too, but I'm never able to sit down and master those 13 words per minute in code. I have a good friend in Thief River Falls, Minnesota that worked with me at the radio station there that is also a ham operator. His call letters are WA0WHE and works all bands. If you ever hear him, give him a shout and tell him 'HI' from me.

I'M enclosing our coverage map for your referance.

If you're ever in Detroit Lakes, be sure to stop by!

Yours truly;

  
Dale R. Olmstead
