SALES ON-THE-GO...WITH RADIO

August 16, 1962

Mr. Carl Dabelstein,
12524 C Street,
Omaha 44, Nebr.

Dear Carl:

Thank you for your reception report on our transmissions August 13th.

This will confirm that we were on the air from 12:00 to 12:30 AM CST on that date for the purpose of a frequency check on 1400 Kc. The times you noted were correct for the identifications.

Our transmitter is a Collins 20V-3, 250/1000 w. and we were operating on the 1 KW during this experimental hour.

Yours very truly,

Gilmore F. Frayseth, Mgr/Ch.Eng.
