Mr. Dabelstein

I am writing concerning your recent letter stating the fact you recieved recent transmission from our station KBCC 1410 in Cuba, Mo.

The commercial bradcast you recieved was a 60 sec. spot for Ozark farm ctr. in Cuba on I-44 and hwy. 19.

this spot is aired every morning during our farm market report's.

KBCC is a 1,000 Watt stataon, but we will soon be broadcasting with 5,000 Watts of power.

I am enclosing one of the station's bumper stickers, and trash bag's, and we have enjoyed hearing from you.

Sincerly yours
