"SERVING THE TRI-COUNTY AREA"

200 Radio Lane

El Dorado Springs, Mo.

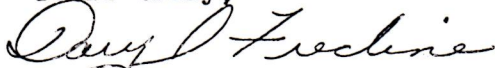

Dear Dixer,

We have received your report of reception of KESM and have checked its accuracy with our program log. We are pleased to verify the fact that your reception of KESM is correct.

I am taking the liberty of enclosing a coverage map. These maps are old, and our AM has since doubled its power. Our prime coverage area extends to the edge of the outer circle.

Thank you for your interest in KESM.

Yours truly,

Daryl Fredine, Owner
