Dear Mr. Dabelstein,

KHAD Radio was happy to hear that you picked us up in Omaha. All the information stated in your letter is correct. WOWO in Fort Wayne is our main hangup. As you may know, KHAD is a daytime station only and also a clear channell. Fort Wayne is the station that guides our sign on times.

Again it was good to hear that our signals were beaming up to Nebraska. If you every get down to the St. Louis area, DeSoto is about 40 miles south on Highway I-55 and 67.

Yours truly,
