Dear Mr. Dabelstein,

This will confirm your letter of November 30 indicating your reception of KLDY-AM. Thank you for your kind comments about our Solid Gold concept. I think Kansas City radio was long overdue for such a move and am very heartened at the reception we have received without promoting ourselves heavily....yet! The best is still ahead! Please let me know if I may ever be of service and again thanks for listening to Solid Gold 1140, KLDY!

Sincerely,

Keith B. Harrington
