Dear Mr. Dabelstein,

Greetings from Missouri! Please forgive me for being so long in answering your kind letter, but I was sure that I wrote you. Maybe it was lost or you may still get it some day. Any way, here is an other one.

According to your report of the text that you sent me, you were listening to our signal of KLFJ on December 5th, 1974 when we were doing equipment test. I noticed on your report that Jackson, Miss was interfering. Jackson, Miss even interferes in early and late times on our station when we are on regular hours.

We have been on the air now almost four months and our hours are from 6:45 DST to 7:15 DST beginning first of March. We received one report from a fellow in Ohio was picking us up at 7:00 A.M. about a week ago. So these waves do bounce at times.

Thanks for writing and again I'm sorry that I was delayed. Come see us at KLFJ sometime. God's Speed!

Respectfully

Billy Wolfe, C.E.
