Mr. Dabelstein:

This is to confirm your reception of our AM Broadcast facility, KPRT, on October 20, 1974.

Your description of our sign-on is accurate as well as the time we sign-on at 6:AM.

Our power during October at 6:00 AM, was 500 watts.

Your reception of KPRT was all the more remarkable, due to our low power early in the morning.

Good luck in your "DXing" activities in the future.

Sincerely Yours,

Bob L. Anderson
