Dear Mr. Dabelstein:

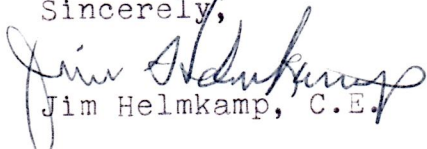

This is in reply to your DX report of reception of KRMO from 1:57 A.M. to 2:30 A.M. CST on Nov. 18 1974. Thank you very much for your letter and the tape. I'm glad to know that we were coming in so well in Lincoln.

I am very happy to confirm your reception of KRMO based on the information you have included. After listening to the tape, I was, frankly, quite amazed at the quality of the signal.

Several other members of the Club also sent tapes. All in all we have been quite pleased at the response to the test. As you requested, I am sending a list of the people who have responded to the program.

Thanks again for your nice letter and the tape, and please accept my wishes for a very Joyous Holiday Season.

Sincerely,

Jim Helmkamp, C.E.
