Dear Mr. Dabelstein:

Thank you for your letter of reception of our radio station on 11/23/89. It is always interesting to hear about people in other states picking us up.

What you heard was correct. We do carry Bruce Williams, a national TalkNet host, by satellite at 7:00P and we also carry CBS News at the top of each hour.

I am glad I was able to add another station to your collection.

Sincerely,

Ann Denley  
Traffic Manager
