Dear Mr. Dabelstein:

This is to confirm your reception of KLYQ at 2:02 a.m.,
April 8, 1963.

For your information, KLYQ is owned and operated by the
Bitter Root Broadcasting Company, with Studios at Hamilton,
Montana, the county seat of Ravalli County in the heart of
Western Montana's Bitter Root Valley.

KLYQ is a daytime-only station, operating daily from 6:00 am.
till sunset with a "Middle of the road" music format, both
popular and western, along with news every hour on the half hour,
as well as sports and weather.

KLYQ operates with 1,000 watts of power at 980 kc's on the dial.
Our operation is "Remote", using primarily Gates equipment fed
into a Gates BC-1T transmitter which is series-fed into a 185-foot
"Guyed" Tower.

Frequency checks are made quarterly, to Northwest Monitoring
Service, Pendleton, Oregon.

Thanks very much for your letter and interest, and best of luck
in your future monitoring!

Very best regards,

Dex Dexter
