Mr. Carl W. Dabelstein
3300 North 56th St.
Lincoln, Nebraska 68507

Dear Mr. Dabelstein:

Please excuse the delay in replying to you report of reception of our station. During this time of year we are pretty busy.

Your report is correct for the period during which you were receiving our station. During November our power change to 1,000 watts (from 206 watts pre-sunrise) came at 7:00 AM Et.

Thank you for your report.

Sincerely,

Steve Greene
Chief Engineer
