

KEYJ

JAMES RIVER BROADCASTING COMPANY
P. O. Box 1170 - - Studios White Building
JAMESTOWN, N. DAK.

August 31, 1962

Dear Mr. Dabelstein.....

We received your report today and am happy to confirm that what you received was one of our weekly frequency checks. We are checked by the reception center in St. Louis. (by the way typewritten or not we are always glad to receive letters...

We operate 250 w normal broadcast with license to operate 1 kw daytime hours. Effective coverage in North Dakota is approximately 90 mile diameter.

Sincerely yours,

Thomas E. Comodry
