Dear Mr. Dablestein,

I would like to thank you for your reception report, which was forwarded to me by David Margritz. Your report is correct, and I can verify that you listened to KESY AM 1420 from 4:40 to 4:41 pm on November 23, 1979.

KESY AM is now K000 and we operate on 1420 kilohertz with 1000 watts of power. We play country music on our AM station, but our FM, still KESY plays easy listening music.

Thank you again for your report and best of luck in your radio listening.

Sincerely,

Gary Clouse
