Dear Carl,

I confirm your report of reception on the 15th day of October 1962. Your listing of our programming was correct and accurate. I want to thank you personally for the report of your reception of our station.

Keyr took over for Ktci June 1st of 1962 and has been going great guns here in the Nebraska Panhandle.

We use all r.c.a. equipment except our Ampex tape equipment.

Here's our announcer staff:

LLOYD OLLIVER

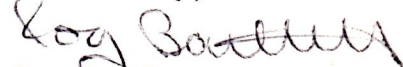

JACK GILBERT

BOB MARLAND

ROG BARTLETT that's me.

I'm Chief engineer and so forth. Once again thanks for your letter and I extend to you the invitation to stop in if you ever get in this area. See you soon!

Yours truly,

Rog Bartlett

Chief Engineer, KEYR
