Carl:

Enclosed please find a KKOA T-Shirt for KKOA. The summary you sent to us was correct. KRNY AM/FM was purchased by Radio Ingstad Nebraska in November, 1986. Our new call letters are KKPR FM and KKOA AM. KKOA is live via satellite from California.

Thank you for your interest.

Sincerely,

A handwritten signature in blue ink, appearing to read "Colleen Abels", is written over a faint, larger version of the same signature.

Office Manager, KKPR/KKOA
