CARL DABELSTEIN

12524 "C" STREET

OMAHA 44, NEBR.

DEAR CARL,

THE RECEPTION YOU REPORTED WAS MOST CERTAINLY OUR STATION. WE ARE HAPPY TO HEAR THAT OUR ONE KILOWATT SIGNAL REACHED YOUR LOCATION. THE OTHER STATION IN TOWN IS ON 1300, AND THEY HAVE RECENTLY GONE TO FIVE KW, AS ONE OF MY BEST FRIENDS IS ON THEIR STAFF, I SHALL BE HAPPY TO REPORT YOUR RECEPTION TO HIM, AS THEY ARE PRESENTLY CLAIMING AN ADMITTEDLY WEAK SIGNAL INTO OMAHA. THIS WILL ADD FUEL TO THE FRIENDLY RIVALRY!

YOUR FRIEND MUST HAVE RECEIVED A VERIFICATION AT A TIME WHEN WE WERE OUT OF LETTER-HEAD STATIONARY, AND I SHALL BE MOST HAPPY TO ENCLOSE AN EXTRA LETTERHEAD.

YOURS TRULY,

JOE MODJESTKI

CHIEF ENGINEER
