This is to confirm your reception of AM radio station KCKN on MARCH 31 1988 from 1155 to 0031 Mountain Time. KCKN operates fulltime on a frequency of 1020 kc with a power output of 50,000 watts using a 3 tower directional antenna days and a 6 tower directional antenna nights. Our transmitter is a Continental 817C-2. Our transmitter and studios are located approximately 2 miles northeast of Roswell, New Mexico in the southeast portion of New Mexico. We program country music except from 8pm to midnight when we program religious programs. We have a companion FM on 97.1 mc using the call letters of KBCQ-FM. FM power output is 100kw at 600 feet HAAT.

You reception report is greatly appreciated and I would welcome any others you may receive in the future. Please tell others about us.

Sincerely,

Don Niccum, CE
