Overland Park, Kansas 66204

Dear Mr. Dabelstein,

In answer to your letter, yes, we were on the air at 1:15 on the morning of December 19. We were making a frequency check, we are normally on for 15 minutes, but in this case we called the Communications Monitoring Service of Kansas City. They verified our frequency and reception and we signed off. We were probably on less than five minutes

Yours truly,

James T. Roper
