Omaha 44, Nebraska

This will verify your reception of KSVP on May 6, 1962, and February 3, 1963, if you will recheck the time shown on February 3, 1963. Our frequency check time is from 12:00 to 12:10 AM, Mountain Standard and we are nearly always off by 12:10:10. We did

broadcast a check February 3rd, but were off the air as usual.

Thanks for your report.
