Radio Station KTMM

Tucumcari, New Mexico

Gentlemen:

I am pleased to report reception of your station on December 26, 1966  
from 2:40 a.m. to 2:43 a.m. Central Standard Time on 1400 kcs.

Items and announcements heard on this broadcast are as follows:

2:40 A Test Tone.

2:43 Station Identification-"This has been a frequency measurement test from KTMM  
in Tucumcari, New Mexico. This concludes the test."

This is a follow up report to your station. My original report was never answered. I have been thinking that possibly it was lost in the mails. If you find this report correct and to your satisfaction, I would appreciate receiving a brief letter or card stating that my report is correct. I have been DXing for eight years and have over 800 verifications, including 14 from New Mexico. Yours would be a most welcome addition to my collection. Thank you very much for your time and interest. This service is greatly appreciated.
