Dear Mr. Dabelstein:

Thank you for your October 25th letter. We are rejoicing at being received in Lincoln, Nebraska, since our equipment is only supposed to take us 25 miles East of Reno.

We have to protect WBBM in Chicago and thus our signal is North, West, and South. This is to verify your letter to me, and let us join the many other DX reports you gain.

Cordially,

Euell Labhard
Program Director
