

Dear WQXR Listener:

Thank you for writing to us. It's always a pleasure to welcome a newcomer to the WQXR listening audience.

We appreciate the interest you are taking in our station, and hope the enclosed fact sheet will answer your questions about the WQXR AM-FM operation.

1440 BROADWAY
NEW YORK, N. Y. 10018

We wish to thank you for the report and we are glad to verify your reception of our programs from Station WOR. This will verify your reception of WOR on Thursday, Sept. 30 from 9:0 to 9:22 p.m. WOR operates on 710 kilohertz from its 50,000 watt, high-fidelity transmitter at Lyndhurst, N. J., 4 miles west of New York City.

WOR-RKO General also operates Station WOR-FM and Station WOR-TV on Channel 9. We hope you will continue to receive and enjoy our programs, and we appreciate your comments.
