8209 West 78th St.
Overland Park, Kansas 66204

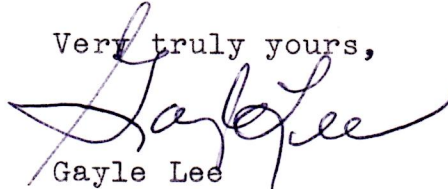

Dear Carl,

Your right. KBIX was on the air Thursday Morning Feb, 2,
1978 conducting a Frequency and Equipment check.

I'm sending you a couple of our rate cards, and on the
back side you'll notice a coverage map of our area.

Thanks for reporting your reception of KBIX.

Very truly yours,

Gayle Lee
Chief Engineer
