Dear Carl,

Thankyou for your reception report dated

4/18/75, at 1:44 AM PM CDT.

Your log agrees with ours, and I am pleased to verify this report.

Here at KNOR, we operate 24 hours a day except for some Sundays. We use a Gates BIG 1000/250 watt transmitter, and a Collins 300G transmitter for standby use. Our antenna system is non-directional, a folded unipole.

Thanks again, and good luck to you in your BCB DX'ing.

Sincerely,

Rob Sullivan - WB5FTF
Roger A. Heiter - Chief Eng.

Rob Sullivan - Asst. CE
