Dear Carl Dabelstein,

This is to verify your reception of KOKN on March 26, 1975 between 7:03 and 7:10 p.m. Central Daylight Time.

I must apologize for the delay in sending this verification. As a note of explanation, we have recently had several personnel changes at KOKN. The resulting turmoil is probably the cause for the loss of your initial request. Again, I regret the delay. HAPPY DXing!

Very truly yours,

Gary Brown
