

# KVSO/1240 AM

**ARDMORE**  
**Someplace Special**

May 8, 1986

Carl W. Dabelstein  
8209 West 78th Street  
Overland Park, Kansas 66204

Dear Mr. Dabelstein,

We were very pleased to hear of your January 8, 1986 reception of KVSO. The station identification announcement and KVSO "Baby Contest" promo ran at the times you mention in your letter.

KVSO operates at 1240 khz with 1000 watt power. We use a Harris SX-1 solid state transmitter and a 180 foot tower for our antenna. We have been operating in AM stereo for approximately 10 months, using the C-QUAM System.

I would be very pleased to have this letter added to your collection and I apologize for the delay in getting it sent to you. If you are ever in Ardmore, feel free to come by the station.

Sincerely,

*Scott Benton*
