Dear Carl:

Your letter was correct, you did receive KXVQ on the date said and all programs ran at the time. Agree with what you stated in your reply to me.

Here are some corrections if you would like to put these in your records. KXVQ is owned by DAWN broadcasting. Our street address is 513A Kihekah. All other material is correct and true.

I am enclosing a sales package which introduces a new customer to the station and thought that it might be useful to you. I don't mean that you are a sales prospect, but it gives a general rundown of KXVQ. Good luck on your DXing and by the time you get this letter I think (I noticed this on your letter) that you will have made your two-thousandth reception. Thanks for letting us know that you received us.....

Yours truly,

Bill Coleman
