Dear Mr. Dabelstein,

Thank you for your letter informing us that you had received our station CBO on September 11, 1979.

I know our Engineers and Transmitter Chief will be interested in your detailed report, so I will pass it on to them.

As you requested, I am sending a Q.S.L. card which will confirm that it was indeed the signal of CBO that reached you recently.

Yours truly,

(Mrs.) G. Ethier,
