Mr. Carl W. Dabelstein,

Lincoln, Nebraska,
U.S.A., (68507).

Dear Mr. Dabelstein:

We thank you for your interesting report of reception of CH"OK" Radio on December 30, 1971 from 6:40 to 6:55 PM, C.S.T., on 1070 Kcs. We have checked our log for that date and find your report to be correct.

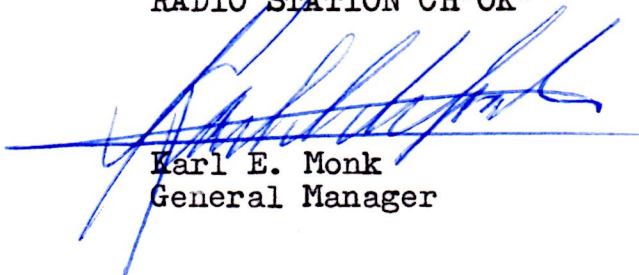

For your information, CH"OK" broadcasts 19 hours a day and operates on a day and night-time power of 10,000 Watts. The day-time pattern is circular with a slight bulge to the Northeast. The night-time pattern is similar with slight restrictions to the Southwest and Southeast.

Feeling that you might be interested in the area in which we are located, we have attached material provided by the Sarnia & District Chamber of Commerce, giving a few highlights.

Many thanks for your report.

Yours sincerely,

RADIO STATION CH"OK"
