Dear Mr. Dabelstein:

We are pleased to confirm your reception of CJCL AM 1430.

Our transmitter is located on Centre Island at North Latitude 43 degrees, 37 minutes, 3 seconds, and West Longitude 79 degrees, 22 minutes, 47 seconds. Our transmitter is a Continental 317C and we operate on a parallelogram with six self supporting towers. The towers are 150 feet high.

The broadcast studios are in downtown Toronto at the address below.

We are always pleased to hear from our distant listeners and we appreciate your taking the time to write us.

We do not issue QSL cards, but hope this information is of use to you.

Sincerely,

Sheila Brazys (Mrs.)  
Promotion Assistant
