Mr. Carl W. Dabelstein,
8209 West 78th Street,
Overland Park,
Kansas.

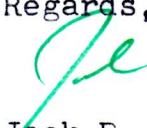

Dear Mr. Dabelstein,

Thank you for your letter concerning reception of CKPT 1420 on the morning of December 15th, 1975. My apologies for the fact that nobody took the time to reply to you after your initial letter. I'm not certain if my predecessor took the time to reply to members of your Radio Club as a rule but I certainly make a firm habit of so doing and, indeed, look forward to learning where our signal has been received.

Judging by your summary, I can confirm that you did, in fact, receive CKPT 1420, Peterborough, beginning at 1:52am, your time, December 15th, 1975.

I trust this confirmation is sufficient and, if I may, one of my program supervisors or I would like to contact you by telephone towards the end of September for an interview. I'm interested in finding out more about the Club, its activities and membership for our daily magazine show on our FM outlet. Perhaps at your convenience you would be good enough to indicate when the best time to contact you would be and at what number.

Regards,

Jack P. Roe
