Dear Mr. Dabelstein:

Greetings in the name of our soon-coming Lord.

Your reception report dated March 23, 1965, has been received and we are happy to send you verification for it. We are also glad to know that our signal reached you.

Perhaps you would be interested in knowing that WIVV broadcasts entirely in English to the English-speaking islands of the Lesser Antilles, from 5:30 AM until 10:00 PM Atlantic Standard Time.

Many of our listeners write regularly thanking us for keeping the Word of God going forth -- to show them how to receive Christ as personal Lord and Saviour, and to help guide them in their daily living.

On December 8, we observed our Ninth Anniversary of broadcasting. At that time many extra letters of thanks were received.

Thank you for your interest in the work here.

Sincerely yours,

Donald D. Luttrell
