Dear Mr. Dabelstein,

This is to verify your reception of WBCU Radio at 1460 kcs. on November 25, 1974. We were operating at 500 watts pre-sunrise authority.

I am sorry that this verification has taken so long, but we answered your first request for a verification and evidently it was somehow lost in the mails.

Thank you for letting us know of your reception of our signal.

Sincerely,

Tom Anderson
Program Director
