Mr. Dabelstein:

The only thing I can say is guess, is you're partly right.
W S N W 1150 Khz does sign on at 6:00 a.m. and most of what
you have down is correct, clear Channel is not in the sign on,
Dolly is not a name here and I do the sign on and I am not a
female, bu the rest of it is included in the sign on.

Thanks for your interest.
