Dear Carl:

Thank you for your letter of February 22, 1967.

Sorry for the delay, this will confirm your reception report of KABR radio on June 21, 1963. at 12:20 a.m. on 1420 kc.

Incidentally, Carl, I just might be interested in joining the National Radio Club. I used to be a ham, W0GFS, and have been chief engineer here at KABR for many years.

Can you fill me in on the details?

Very truly yours,

Jerry Zastrow
