Dear Carl,

In regards to your letter of the reception to our station KBHB on October 26, 1972, I am pleased to inform you that, according to our logs, your reception was correct as stated. I have also included a coverage map of KBHB.

Thank you very much for letting us know that our reception was excellent despite the slight interference from KCMO in Kansas City.

Sincerely,

Ray Ricci  
Program Director
