August 1, 1959

Chief Engineer  
Radio Station KIHO  
Sioux Falls, South Dakota

Dear Sir:

I am pleased to report reception of your radio station on August 1, 1959 from 4:14 p.m. to 4:30 p.m. Central Standard Time on a frequency of 1270 kilocycles. Items heard at that time were:

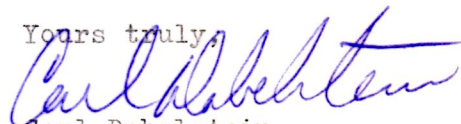

4:14 Recorded Music.  
4:19 Commercial Announcement-Ben-Hur Auto Sales.  
4:20 Weather Forecast.  
4:30 Station Identification-"This is KIHO in Sioux Falls."

My receiver is a Hallicrafters SX-71 and my antenna is a 65' dipole. Your signal strength was a steady S-4 with readability of 95%. There was some interference from KUSN in St. Joseph, Missouri.

If you find this report correct, I would appreciate receiving a letter of verification typed on a letterhead. I have enclosed return postage for your convenience.

Thank you very much for your time and interest. 73's

Yours truly,

  
Carl Dabelstein  
KØSBV
