Dear Mr Dabelstein:

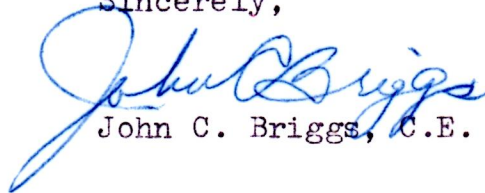

I am in receipt of your letter noting reception of KYNT Thursday, September 27, 1962. The announcements you list coincide with our program log, so this is to verify your reception of KYNT.

Our transmitter is an RCA BTA-250M, with a pair of 813's as finals. Our tower, a quarter wave, is located about a mile west of Ynkton.

I'm sorry that our supply of coverage maps has depleted, but I don't have an extra to send to you.

Thank you for your report.

Sincerely,

John C. Briggs, C.E.
