Dear Carl

Sorry about your first verification not getting answered. But this will verify your report of June 15, 1963. Certainly glad to receive any report.

We are on a freq. of 1580 kc, transmitter power of 1000 w. feeding a folded unipole antenna 188' high. Our equipment is all Gates.

I am enclosing a copy of our coverage map and maybe that will answer any more question for you. glad to hear from you at any time. by the way, we have a regularly scheduled freq. check the third Sat. Morning in each month at 12:00 CST. Listed for me.

Sincerely

Aaron
