Dear Sir:

Thank you for your reception report of W.N.O.O. on April 16th. I am glad to send you verification of this report, though a little slow in doing so.

In closed is an old survey map this is the best I have. It says W.M.F.S. but it is the same station the call letters were changed about two years ago.

As you can see from the map we serve the negro population of the try-state area of Ala. Ga. and Tenn.

Thanks again and mahy more distant receptions.

Truly yours

G. E. Channells ce.
