Dear Mr. Dabelstein:

This will acknowledge and verify your report of reception of WSKT on March 8, 1972.

I regret the delay in answering your letter, and please accept my apology.

WSKT is a 5,000 Watt station at 1580 on the dial and our format is religious. We have been on the air since May 21, 1961, however, we started as a 250 Watt outlet.

Thanks for writing, and if you read us again, let us hear from you.

Sincerely,

*Harry J. Morgan*
